## OFFSHORE FROM PUNTA UVITA

### Highlights

Uvita is known for its excellent deep-sea fishing, which remains good all year round, making it one of the best fishing destinations in Costa Rica. Offshore fishing is done from 20 to 40 miles offshore in deep water, where guests will find fish, such as Mackerel, Snapper, Wahoo, Mahi-Mahi, Yellowfin Tuna, Black Tuna, Sailfish, and Marlin. Guests can take home all species except Marlin and Sailfish, which must be released.

- Wide variety of fishing techniques like trolling, casting, slow jigging, and button fishing.
- Best quality equipment.
- Private trips only.
- Maximum group of 6 people.

Full-day and half-day are available.

## OFFSHORE FROM PUNTA UVITA

### Expectations

Guests will arrive at our property for check-in, and then our staff will guide them to the parking area to leave their car at the main entrance of Parque Nacional Marina Ballena. From the park entrance, there is a short hike of approximately 5 minutes to the beach, where guests will board the sportfishing boat from the beach. The boat will travel about 20 to 40 miles to sea, the best place to catch big game.

All sportfishing tour routes and itineraries are custom. Please consult with our staff and your captain for full details.
