

About Us

MARTIN ADVENTOURS

At Martin Adventours, we are proud to be a small, family-owned business run by Costa Ricans who are deeply connected to the beauty and traditions of our home. Our local roots in Costa Rica and Greater Uvita allow us to share authentic experiences with every guest, blending professional service with the warmth and care that only a family business can provide.

Impeccable Service

At Martin Adventours, we don't just offer tours—we craft unforgettable experiences. From the moment guests arrive at our office until the very end of their journey, our team is attentive, welcoming, and focused on every detail that makes the experience truly special.

Mission-Driven Whale Watching

Whale watching is at the heart of Martin Adventours. With full respect for safety standards and marine protocols, our crew does everything possible to give guests the best chance to witness these magnificent animals in their natural habitat.

Going the Extra Mile

At Martin Adventours, guest satisfaction guides every decision we make. When tide and weather conditions allow, we add special touches—such as a stop at a tranquil beach to enjoy refreshments and relax—turning a great tour into an extraordinary memory.
